

DATA PROTECTION & PRIVACY POLICY

NU Fire & Security Limited (hereinafter known as the Company) is committed to protecting and respecting your privacy.

This Policy has been written for compliance with the General Data Protection Regulation (GDPR) and to explain when and why we collect personal information about people who are employees or our clients or potential clients, how the Company uses it, the conditions under which we may disclose it to others and how we keep it secure. We are registered with the Information Commissioners Office (ICO) and our Registration No. is: **ZA332140**.

We may change this Policy from time to time so please check that you have the current version. If you are using our website, you're agreeing to be bound by this Policy.

Any questions regarding this Policy and our privacy practices should be sent by email to sales@nufire.co.uk or by writing to us at NU Fire & Security Limited, Unit 8A, Kayley Industrial Estate, Richmond Street, Ashton Under Lyne, Lancashire, OL7 0AU or telephone 0845 402 2300.

Who are we?

As an experienced security technology business we are dedicated to quality and innovation. We provide a holistic fire safety and security solution from technologically advanced fire detection equipment, through to skilled installation and around the clock, remote monitoring. Our aim is to provide all clients with a fail-safe security solution that best responds to their individual requirements.

Our Board of Directors has over 60 years' experience in the electronic security industry which allows us to advise our customers a range of different approaches and new security technology, including analytical detection software and internet protocol cameras.

As a frontrunner, we foster creative thinking and are committed to delivering intelligent business solutions that not only offer protection but that help our customers to grow their business.

Central to all our services is the Company's Remote Video Response Centre (RVRC). This is a dedicated facility designed for all communications and primarily for remote monitoring of CCTV Systems. The Centre was re-constructed in 2018 with redundancy of all systems (power, telecommunications, data, IT).

The Company's services are underpinned by a Quality Management System that ensures full compliance with ISO9001:2015 that is certificated under the NSI Gold Schemes for Security Systems and BS8418 Detector Activated CCTV Systems and by SSAIB for Fire Alarms (BAFE SP203-1). Through the services that we provide we have attained many industry standard accreditations.

DATA PROTECTION & PRIVACY POLICY

How do we collect information from you?

We obtain information about our:

- a) employees when they initially apply for positions in the Company and
- b) clients when they make an initial enquiry for our services and ongoing through the term of the contract services provided.

What type of information is collected from you?

The personal information we collect is usually limited to name, address, email address, contact telephone number(s). In relation to our clients, this may also include keyholders for the systems.

How is this information used?

We may use this information to:

- process an application for employment;
- process enquiries and orders from our clients;
- to carry out our obligations arising from any contracts entered into;
- dealing with system users and keyholders in relation to installed and maintained systems;
- seeking views or comments on the services we provide;
- notification of changes to our services;
- sending of information which has been requested and that may be of interest. This may include information about terms and conditions, system installations, maintenance & monitoring and the like.

We review our retention periods for personal information on a regular basis. We are legally required to hold some types of information to fulfil our statutory or regulatory obligations (for example Security Screening Records are retained for term of employment plus 7 years, captured CCTV images 31 days unless required to be held for evidential evidence). We will hold your personal information on our systems for as long as is necessary for the relevant activity or as long as is set out in any relevant contract agreement.

Who has access to your information?

We will not sell or rent information to third parties other than the emergency services. We will never share information with third parties for marketing purposes.

Third Party Service Providers working on our behalf: We may pass information to our third party service providers, agents subcontractors and other associated organisations for the purposes of completing tasks and providing services on our behalf (for example for Installation works). However, when we use third party service providers, we disclose only the personal information that is necessary to deliver the service and we have a contract in place that requires them to keep all information secure and not to use it for their own direct marketing purposes. Please be reassured that we will never release any information to third parties beyond the emergency services or approved sub-contractors for them to use for their own direct marketing purposes in any circumstance unless we are required to do so by law, for example, by a court order or for the purposes of prosecution or prevention of crime.

Third Party Product Providers we work in association with: Due to the nature of our business, we work closely with the emergency services. The emergency services will only use such details to provide information and carry out their obligations arising from any contract entered into with us. However, we take steps to ensure that everyone's privacy rights continue to be protected.

DATA PROTECTION & PRIVACY POLICY

Your choices

You will always have a choice about whether or not you wish to receive information from us. However, the Company does not undertake any direct marketing. We will not contact you for marketing purposes by email, phone or text. Should this change then this Policy will be updated to reflect this change.

How you can access and update your information

The accuracy of your information is important to us. If you change email address, or any of the other information we hold is inaccurate or out of date, please email us at: sales@nufire.co.uk or by writing to us at NU Fire & Security Limited, Unit 8A, Kayley Industrial Estate, Richmond Street, Ashton Under Lyne, Lancashire, OL7 0AU or telephone 0845 402 2300.

You have the right to ask for a copy of the information the Company holds about you (we may charge £10 for information requests to cover our costs in providing you with details of the information we hold about you).

In certain circumstances, such as where the data is no longer necessary for the purposes for which it was collected, you have a right to require us to erase all personal data held about you.

Note: There are a number of exemptions to this right, for example in relation to freedom of expression and compliance with legal obligations.

Security precautions in place to protect the loss, misuse or alteration of your information

When you give us personal information, we take steps to ensure that it's kept securely.

Non-sensitive details (your email address etc.) are transmitted normally over the Internet, and this can never be guaranteed to be 100% secure. As a result, while we strive to protect your personal information, we cannot guarantee the security of any information you transmit to us, and you do so at your own risk. Once we receive your information, we make our best effort to ensure its security on our IT Systems (soft copy information) or held securely in our offices (hard copy information).

System users. Where we have given you a password or passcode for identifying you as an authorised system user, you are responsible for keeping this password confidential. We ask you not to share your password with anyone.

Profiling

We do not analyse your personal information to create a profile of your usage or any other such as interests and preferences so that we can contact you with information relevant to you.

We may make use of the information about you in order to provide you with information that directly affects you or in the case of system users, their system.

DATA PROTECTION & PRIVACY POLICY

Use of 'cookies'

Like many other websites, the Company website does use cookies. We may collect information about your computer, including where available your IP address, operating system and browser type, for system administration and to report aggregate information to our advertisers. This is statistical data about our users' browsing actions and patterns, and does not identify any individual.

For the same reason, we may obtain information about your general internet usage by using a cookie file which is stored on the hard drive of your computer. Cookies contain information that is transferred to your computer's hard drive. They help us to improve our site and to deliver a better and more personalised service. They enable us:

- To estimate our audience size and usage pattern.
- To store information about your preferences, and so allow us to customise our site according to your individual interests.
